

Cars are complicated. Your car insurance doesn't need to be. At Safeco, we work to make the process of buying it as simple as possible. And when you qualify, we'll automatically renew your policy at a lower rate instead of waiting for you to ask.

You may qualify for credits and discounts

Everything from your vehicle's make, model and safety features to your driving record and annual mileage may have an influence on your auto insurance premium. Talk to your agent about the credits and discounts that may apply to you. And don't forget you can also lower your premium by increasing your deductible.

Payment Options

For ultimate convenience and flexibility, we offer a variety of ways to pay your premium. You can elect to pay by mail, phone, automatic transfer from your checking account or online at www.safeco.com. The choice is yours.

"It's really easy for me to recommend Safeco, because they know that customers get the best policy to fit their needs when they work with an independent agent."

Free Windshield Repair

Your windshield is an important safety feature for your car. So, if you carry comprehensive coverage, and your windshield gets cracked or broken, we make it easy to get it fixed. Just call 1.800.332.3226. We'll schedule an appointment to repair or replace the glass with one of our authorized shops in your area, and we'll notify your agent. This service is for your convenience; however, you may choose a repair facility of your choice. If the glass can be repaired without being replaced, we'll waive the deductible, so it costs you nothing.

Rental Car Coverage

We know many of our customers travel, so most Safeco policies include personal rental car coverage, up to the limits you've selected. Certain exclusions do apply, so be sure to ask your agent for more details.

How do I make a claim?

At Safeco, there is no "weekend."
We're here to assist you, 24 hours a day, 7 days a week.
Just dial 1.800.332.3226.
