For Immediate Release:

Accident Insurance Company, Inc. (AIC) is Approved to Write Commercial Auto Coverage in Georgia.

Kennesaw, GA, October 2nd, 2007 – AIC has received approval from the Georgia Department of Insurance to start writing commercial auto liability and physical damage coverage on an admitted basis. This new competitively priced program targets harder to write classes of business such as; open lot used car dealers, garage keepers, dump trucks, and artisan/ contractor trades' vehicles, haulers, and trailers. Extra heavy gross vehicle weights, 1 unit and up, plus new ventures are eligible.

AIC programs are written by independent agents through its exclusive marketing facility, Appalachian underwriters, Inc (AUI). Interested agents can find more information on this program by visiting the AIC website, www.accinsco.com, or by contacting Hunter Moss at (800) 896-6884. Additional information about program access can be obtained directly from AUI by visiting www.appund.com, or by contacting their commercial underwriting team at (888) 376-9633.

Accident Insurance Company, Inc. is a South Carolina domestic property and casualty insurer with certificates of authority in Georgia and Mississippi. AIC offers a variety of specialty insurance programs including; Workers' Compensation, General Liability, Commercial and Personal Auto. AIC, recently received an A (Exceptional) Financial Stability Rating from Demotech, inc. and is expected to write \$20 million in written premiums in 2007.
